

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

PER G. WESTERDAL, et al.,

Plaintiffs,

v.

SAFECO INSURANCE COMPANY  
OF AMERICA,

Defendants.

CASE NO. C24-1050JLR

ORDER

Before the court is the parties' stipulated motion to continue the trial date and related pre-trial deadlines. (Mot. (Dkt. # 27).) The parties ask the court to continue the trial date from September 22, 2025, to a date in March 2026, in light of Plaintiffs' lead counsel's serious medical condition. (*Id.* at 1.) They represent that a continuance will enable Plaintiffs to obtain new lead counsel should that become necessary. (*Id.*)

The court finds good cause to GRANT the parties' stipulated motion to continue the trial date. The court is unable, however, to accommodate the parties' request for a

1 trial date in March 2026 due to its busy trial schedule. Therefore, the court DIRECTS the  
2 Clerk to continue the trial in this matter to the next available date at the end of the court's  
3 trial calendar, and to issue an amended scheduling order that resets all associated pretrial  
4 deadlines, beginning with the deadline to file motions related to discovery.

5 Dated this 7th day of May, 2025.
